Re: Case No. 2008-00135

Dear Ms. Stumbo:

This letter is being filed pursuant to the Commission's Order of August 1, 2008, directing the parties to submit a report of the status of the case. Sprint has spoken to Brandenburg's counsel, who has indicated that Brandenburg is not prepared to discuss settlement at this time, although it is not forgoing that option after completion of additional review of the information Sprint has provided. Based on Sprint's discussions with counsel for Brandenburg, it appears that Brandenburg may request additional time for review. Sprint does not oppose a two-week extension if requested.

Sprint is ready to discuss any options now. We have provided all information requested by Brandenburg. If Brandenburg ultimately is not willing to discuss settlement, Sprint is ready for the Commission to set a further procedural schedule, including hearings.

Very truly yours,  
  
John N. Hughes

Attorney for Sprint
